

the
venetian blind
brochure

classic and effective shading, venetian blinds are
a stunning addition to the home

stylish, simple
& practical

This classic window blind style allows you to adjust lighting levels instantly by altering the angle of the slat. The slat is available in either wood for a more traditional feel or aluminium for a more contemporary look. There is a huge range of slat styles available in a range of exotic colours, subtle shades and dynamic effects.

Our venetian blind collection offers beautiful light control with a stunning range of fashionable colours, rich textures and exclusive designs to transform any window with a style that is completely your own.

Aluminium blinds are ideal for kitchens and bathrooms as the slats are waterproof and can easily be wiped clean.

offering an impressive range of venetian blind styles including stunning metallics & gorgeous gloss woods for you to choose from

With venetian blinds you have the ultimate control over light and glare - minute adjustments as the day goes on enable you to have maximum light and visibility without discomfort.

Venetian blinds not only look great, they're practical too. With their simple, easy to use mechanism, finding your ideal light or privacy levels takes seconds.

Whether you want to keep it simple with a plain neutral colour, make an impact with a bright bold colour or be a little adventurous with a metallic or pearlescent finish, you are sure to find something to compliment any room in your home.
